

ADVANCE QUESTIONS TO SIERRA LEONE

THIRD BATCH

GERMANY

- Germany would like to enquire about equal and non-discriminatory access to education for pregnant girls. Could Sierra Leone please inform about the current state of play – how does Sierra Leone handle the situation of pregnant girls in the school system?
- Which concrete measures will the Government put in place to raise public awareness of the existence and implications of anti-trafficking laws and to ensure that alleged violations are investigated and perpetrators brought to justice?
- In its last UPR, Sierra Leone accepted a number of recommendations to abolish the death penalty in law and ratify the Second Optional Protocol to the International Covenant on Civil and Political Rights, aiming at the abolition of the death penalty. We would like to ask what steps have been taken since Sierra Leone accepted these recommendations and what steps are still outstanding?
